

## About Unloq Sharing

Unloq Sharing is your convenient and affordable way to get around the city with gasoline powered scooters. We offer fast, reliable scooter rentals through a user-friendly mobile app — perfect for commuting, errands, or simply enjoying the ride.

### What We Offer:

Easy Scooter Rentals – Book and unlock your car and scooter in seconds

Live Map Navigation – Find available car and scooter near you

In-App Payments – Pay securely without cash

Well-Maintained Fleet – We take care of performance and safety

Fully Legal in Türkiye, Georgia – In line with local laws and driving standards

### How It Works:

1. Download the Unloq Sharing app
2. Register and verify your profile
3. Find the nearest scooter using the map
4. Start riding and enjoy the freedom
5. Return and park it in designated zones

### Real power

With Unloq Sharing, the city is yours to explore — on your own terms.
